IVANA CHUBBUCK YOUTH BOOTCAMP

The Chubbuck Youth Bootcamp gives young actors the tools they need in order to successfully move from the first reading through to performance. The 12 Step Acting Technique that will take you from script to a living, breathing dynamic character. This course expands the basic elements of the craft of acting for film using fundamental acting technique and scene study as starting points. This class provides each student with a comprehensive set of tools and techniques to create an organic performance that is unique to each actor. Using the Technique, the class focuses on in-depth script analysis, engaging truthfully with scene partners, improvisation and memorization, and perfecting the art of acting along with preparation for professional work in movies, television and stage.

IVANA CHUBBUCK YOUTH AUDITION INTENSIVE

In this special program, Ivana Chubbuck Youth brings in Hollywood's influential casting directors to critique the student's auditioning skills after participating in a series of mock auditions from taped to producer sessions. For each type of audition, the actors go through the steps of the audition process from preparation to performance. We will concentrate on how to effortlessly make the audition script pages/sides work for you by using the Chubbuck Technique and audition technique. Students will break down scenes and sides in order to practice using the Chubbuck Technique for auditions. Each session features different industry professionals and different mock auditions.
